Welcome

Welcome to Kindling

You have been invited by Julie de Bergeyck to participate in Kindling.

Kindling is the online forum for the Belgian Digital for Development platform (D4D-Be). It is a meeting place where partnerships are ignited between the private sector and actors in the Belgian Development Cooperation.

Kindling's goal is that you are informed, inspired and collaborate on D4D.

From the start, we invite you to share content and comments to test the tool. If you have questions, send us a note on the platform or contact julie.de.bergeyck@close-the-gap.org or 0474 997116.

Wishing you a nice Kindling journey!

To accept the invitation and continue the registration process, please follow this link:
