✓ Operating system

All desktops and notebooks are equipped with a license of the operating system **Windows 10 Pro**. **Ubuntu Linux** operating system can be installed instead of Windows.

✓ Microsoft Office

There is a possibility to install **Microsoft Office 2010** on notebooks and desktops which entails an extra cost of 10 euros (VAT not included). In Belgium this can only be installed for organization that have the non-profit (VZW) status.

6. Others

Depending on the stock and the availability, we can provide projects with high quality 'other' refurbished including **smartphones**, **tables** and **beamers** at a price dependent on the supply. For more information please contact us via projects@close-the-gap.org.

✓ Warranty

In Belgium we give a 6 month warranty on all device ordered.
